Dear Homeowner:

Loudoun County Christmas in April homes can only be repaired if there is a team available for the repair work. All eligible applicants will be visited by a member of our preview team to determine the repair needs of your home. Homes will be selected on the basis of greatest need and the ability of the teams to accomplish the needed repairs. You will be notified in writing if your home is selected or rejected. If you have family members who are able to help, please encourage them to do so.

All applications must be received no later than January 31, 2017. If your home is selected, repairs will be made on the last Saturday in April, 2017 unless notified otherwise.
